To His Excellency Sir Cyprien Mailland K.C.B.
Lieutenant Governor of the Province of Upper-
Canada and Major General Commanding
His Majesty's Forces therein
I am Sir
In Obedience

May it please your Excellency.

In obedience to your Excellency's order of
reference in Council, to me, upon the Petition
of William Johnston (who has been located
by Colonel Talbot) to report if the Petitioner
has received any Lands -

I am to state to your Excellency, that
there are many persons of the same name
as the Petitioner, who have received Lands
in this Province, under sundry orders
in Council - namely - of the

all of whom appear to be sufficiently
designated - but as to the present applicant

his Petition affords me no aid in reporting
whether he has received any Land or not

I respectfully beg leave further to state
to your Excellency, that whereas many persons
are located by Colonel Talbot ^{who} have obtained
any order in Council for a grant of Land
to cover the assignment made to them by
that Gentleman, it is not in my power
(where the same name occurs in the present
Instance) to determine whether it is the
same person who has already received Lands
in this Province, a difficulty, stated by me
on the 20th of August 1817, in my letter to the
Clerk of the Council

It is therefore respectfully submitted
to your Excellency, that in future, all persons
Applying for Land, whether under Colonel
Talbot's recommendation or otherwise, do
state fully in their Petitions, their address
or profession, place of birth, & from whence,
their age, and period of residence in the
Province, and whether they have ever received

to your excellency's wisdom
