the Honorable Peter Russell Esquire President of
his Majesty's Province of Upper Canada &c. &c.

In Council

The Petition of us the subscribers, Inhabitants of the
Towns of Sidney, Thurlow and Ameliasburg.
Humbly sheweth

That Your Honours

petitioners begs leave to inform your Honours that we ex-
perienced many great inconveniences and difficulties in
this Quarter for a number of years for want of Mills
and that at our repeated requests and earnest entreaties we
prevailed on Captain John W. Meyers to erect Mills on lot
No. 5 in the first Concession of Thurlow, and that he
found it impossible to complete said Mills without
interfering with lot No. 4 in first concession of
said Thurlow, adjoining which appears to be a reserve
- and that the said Captain J. W. Meyers has
been at considerable expence in improving and fence-
-ing a meadow on said reserve, for the convenience
of a Team to transport our grain to and from
his Mills, on account that the road is obliged to pass
directly through said Lot No. 4. and that it is our
sincere wish and request, that said reserve may be con-
-ferred to Captain J. W. Meyers, either by Grant or Lease
or as Your Honours in Your Judgement may think
fit or and we Your Honours petitioners as in duty
bound will ever pray -
Thurlow 21st Decemr 1798
