Sir

76 York 20th March 1810

I beg leave to inclose a Petition of Mr. Catharine Grant for a Specific Location in the Town of Kingston I believe it will not interfere with the right of any person as to Johnson's name who is on the Plan for the same does not reside at Kingston neither do I think he has obtained any authority for the Lot as it was customary formerly upon any person desirous of having his name put on the plans for a particular Lot the Surveyors ~~after~~ Permitted it, with a view of making application at a future period. I also inclose to you a Petition from sundry Inhabitants of the Township of Loughborough praying that some Person may be appointed a Magistrate therein of a new Commission for the Midland District is to take place I recommend Mr. Michael Stoot, who was formerly mentioned by Mr. Cartwright, may I also beg leave for Permission to locate some Lots in the Rear Concession of the Township of Richmond which appear Vacant, only under the Lieutenant Gov. particular order not being open for Location without a Specific order
